

NIAGARA COUNTY JOB POSTING

OPEN TO THE PUBLIC

TITLE/POSITION #: COMMUNICATIONS TECHNICIAN/COMPUTER PROGRAMMER

PAY RATE: \$27.94-\$32.66

DEPARTMENT/DIVISION: Information Technology

WORK LOCATION: Lockport

STATUS: Provisional

DESCRIPTION: The work involves responsibility for supporting unified communications voice systems and related equipment/software. The incumbent plans, tests, implements, configures, maintains and documents the system as necessary. The incumbent will troubleshoot reported issues, provide the best tested solutions, interact with internal and external resources, and meet the standards and requirements of the agency in a timely manner. The programming work involves responsibility for creating and/or modifying computer programs. The incumbent analyzes business processes and projects proposed for computerization, and designs, modifies, tests, implements, maintains and documents appropriate software applications. The incumbent researches reported problems, plans and proposes a solution, coordinates the problem solving process, selects the best solution, tests the proposed solution, and meets the agency's standards and requirements. The incumbent must ensure programs and systems are developed and maintained to modern security standards. The incumbent may work with more than one modern operating system and with more than one modern programming language including object-oriented/event-driven programming languages. The role may require the incumbent to develop, implement, and conduct ongoing training. The work is performed under the direct supervision of a higher-level administrator with considerable leeway allowed for the use of independent judgment in carrying out the details of the work.

MINIMUM QUALIFICATIONS: SUGGESTED PROMOTIONAL QUALIFICATIONS:

Two (2) years of permanent competitive status as a Micro Computer Coordinator or a Micro Computer Specialist in the Niagara County Department of Information Technology immediately preceding the date of the written test and must meet the open competitive qualifications.

MINIMUM QUALIFICATIONS: Graduation from a high school or possession of an equivalency diploma AND one of the following:

CONTINUED
