1. **Law enforcement methods and practices:** These questions test for knowledge of accepted police methods and practices and/or their application to situations in the police field. The questions are a sampling of the various knowledge that police personnel may be required to possess in the course of their day-to-day work-related activities.
2. **New York State Laws - Police:** These questions test for knowledge of the laws in effect on January 1, 2022 that law enforcement personnel may encounter in the course of their day-to-day work-related activities. The questions are a sampling of job-related sections of the Penal Law, Criminal Procedure Law, Vehicle and Traffic Law, Family Court Act and other laws relevant to law enforcement in New York State.
3. **Supervision:** These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
4. **Understanding and interpreting written material:** These questions test how well you comprehend written material. You will be provided with brief reading selections and will be asked questions about the selections. All the information required to answer the questions will be presented in the selections; you will not be required to have any special knowledge relating to the subject areas of the selections.
5. **Preparing written material in a police setting:** These questions test for the ability to prepare the types of reports that police personnel write. Some questions test for the ability to present information clearly and accurately. They consist of restatements of information given in note form. You must choose the best version from each set of four choices. Other questions test for the ability to organize paragraphs. They consist of paragraphs with their sentences out of order. For each of the paragraphs you must choose, from four suggestions, the best order of the sentences.

A Guide for the Written Test for **Police Supervisors/Investigators** is available at the New York State website: <https://www.cs.ny.gov/testing/testguides.cfm>. Be very specific in explaining experience that will qualify you for the position sought. Ambiguity and vagueness will not be resolved in your favor. **EACH SEPARATE SHEET ATTACHED TO THE APPLICATION MUST BE SIGNED.**

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY: If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangement for taking all tests at one test site.
