**SUBJECT OF EXAMINATION:** There will be a written test which you must pass in order to be considered for appointment. The written test will be designed to test for knowledge, skills, and/or abilities in such areas as:

1. **Preparing written material:** These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
2. **Developing & implementing treatment in a social work program:** These questions test for knowledge, understanding, and ability to apply social work concepts, theories, standards, principles, and practices in various settings. Questions may cover such topics as assessment, development, implementation, monitoring and evaluation of treatment for individuals and families; coordination of services; advocacy and counseling for individuals and families of all backgrounds; and crisis intervention.
3. **Working with individuals to promote mental health:** These questions test for knowledge of characteristics, causes and treatment methods associated with working with individuals who may have mental, developmental, physical, social and substance abuse disorders and/or disabilities. Questions cover such topics as establishing, maintaining and terminating client relationships; recognizing, interpreting, and responding to individual and group behaviors, as well as crisis situations; and facilitating access to essential services such as financial, housing, medical, educational, legal, vocational, and recreational.
4. **Interviewing:** These questions test for knowledge of the principles and practices employed in obtaining information from individuals through structured conversations. These questions require you to apply the principles, practices, and techniques of effective interviewing to hypothetical interviewing situations. Included are questions that present a problem arising from an interviewing situation, and you must choose the most appropriate course of action to take.

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>.

**CANDIDATES NOTE:** You are responsible for completing all sections of the official application. To receive credit for experience on a job, basic information such as address, name and title of supervisor, hours in the work week, final salary, and duties performed by you, must be shown. Be very specific in explaining experience that will qualify you for the position sought. Ambiguity and vagueness will not be resolved in your favor. **EACH SEPARATE SHEET ATTACHED TO THE APPLICATION MUST BE SIGNED.**

**MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY:** If you have applied to take a written test announced by either one or several local jurisdictions (county, town, city) scheduled to be held on the same test date as this written test, you must notify each of the local jurisdictions no later than two weeks before the test date, so they can make arrangement for taking all tests at one test site. All examinations for positions in State government will be held at a State Examination Center.

This examination will be prepared and rated in accordance with Section 23(2) of the Civil Service Law. The provisions of the New York State Civil Service Law, Rules and Regulations dealing with preparation and rating of examinations, as well as establishment and certification of eligible lists for positions in the classified service will apply to this examination.
