

NIAGARA COUNTY JOB POSTING

OPEN TO THE PUBLIC

TITLE/POSITION #: COMMUNICATIONS TECHNICIAN/COMPUTER PROGRAMMER

PAY RATE: \$28.50 - \$33.31

DEPARTMENT/DIVISION: Information Technology

WORK LOCATION: Lockport

STATUS: Provisional

DESCRIPTION: The majority of the work involves responsibility for VoIP system administration by supporting the unified communications and related equipment/software. The incumbent installs, configures, maintains, and supports the system according to information system standards and industry best practices. Serves as part of a team responsible for maintaining a high availability VoIP communications network and related technologies that meet the organizations objectives and service levels. Provides system support to all levels of personnel in the organization. The incumbent will troubleshoot reported issues, provide the best tested solutions, interact with internal and external resources, and meet the standards and requirements of the agency in a timely manner. Maximize VoIP performance through proactive system monitoring, quickly responding to alerts, scheduling/implementing upgrades, collaborating with team members to optimize the system, efficient troubleshooting, timely reporting, and identifying opportunities for improvement. Ensures system security through policy enforcement and monitoring access. The programming work involves responsibility for creating and/or modifying computer programs. The incumbent analyzes business processes and projects proposed for computerization, and designs, modifies, tests, implements, maintains and documents appropriate software applications. The work is performed under the direct supervision of a higher-level administrator.
