This position involves responsibility for providing technical support for an organization's information technology needs. The details of the work vary according to location; however, generally this class of positions involves computer and/or telecommunications network installation, configuration, maintenance and repair, and/or help desk and user support. The incumbent may also operate a personal computer utilizing a variety of software and may do so for production work on a regular, routine basis. The incumbent may also analyze work processes and plan the computerization of manual work methods. The work is performed under the general supervision of a higher-ranking employee. The incumbent does not exercise supervision. Does related work as required.

MINIMUM QUALIFICATIONS: Either:

1. Graduation from a regionally accredited college or university or one accredited by the New York State Board of Regents to grant degrees with an Associate's Degree in computer science, computer technology, computer repair or a closely related field; or
2. Graduation from high school or possession of a high school equivalency diploma, and two (2) years of full-time paid experience in computer or telecommunications network operation, installation, maintenance or repair; or help desk and computer user training and support; or
3. An equivalent combination of training and experience as defined by the limits of (1) and (2).

SPECIAL REQUIREMENT:

Candidates must possess a valid New York State Driver's license and it must be maintained throughout one's employment. Certain assignments made to employees in this class will require reasonable access to transportation to meet field work requirements made in the ordinary course of business in a timely and efficient manner.

Apply electronically at: <https://niagara-portal.mycivilservice.com/> or submit paper applications to: Niagara County Human Resources, 111 Main Street – Suite G2, Lockport, NY 14094
