Performs semi-skilled plumbing and related work in the maintenance, repair and extension of a municipal water distribution system. An employee in this class performs manual tasks in the efficient accomplishment of semi-skilled plumbing work on a municipal water distribution system. Incumbents may be required to perform routine clerical tasks as assigned. The work is performed under general supervision. Supervision is not a normal function of the job; however, in an emergency the incumbent may be assigned to direct subordinates. Does related work as required.

MINIMUM QUALIFICATIONS: **Graduation from high school or possession of an equivalency diploma and one (1) year of experience in the construction, maintenance or service phases of a water or related distribution system.**

SPECIAL REQUIREMENTS:

- 1. In order to receive a temporary, provisional, or permanent appointment, all candidates must undergo and pass a physical/fit test required under 29 CFR 1910 of the Occupational Safety and Health Administration Labor Code of Federal Regulations.**
- 2. Possession of a valid New York State Motor Vehicle license to operate vehicles used in this position or an administrative letter indicating the position does not need the special requirement. A New York State Class A - CDL license is required for appointment in the Niagara County Water District.**
- 3. Candidates must be willing to move into the Niagara County Water District within 6 months of appointment.**
