This class is responsible for performing duties of a higher degree than Water Maintenance Person and supervises the lower class positions in the department. Under general supervision, performs semi-skilled plumbing work in connection with the maintenance, repair and extension of a municipal water distribution system. The incumbent may act in place of a superior when assigned. Does related work as required.

MINIMUM QUALIFICATIONS: Graduation from high school or possession of an equivalency diploma and three (3) years of satisfactory experience in the construction and maintenance or service phases of a large water distribution system.

SPECIAL REQUIREMENTS:

- 1. In order to receive a temporary, provisional, or permanent appointment all candidates must undergo and pass a physical/fit test required under 29 CFR 1910 of the Occupational Safety and Health Administration Labor Code of Federal Regulations.**
- 2. Possession of a valid New York State Motor Vehicle license to operate vehicles used in this position or an administrative letter indicating the position does not need the special requirement. A New York State Class A - CDL license is required for appointment in the Niagara County Water District.**
- 3. For appointment in Niagara County Water District positions, candidates must be residents of the Niagara County Water District for at least one (1) month prior to appointment.**

Notice to Candidates:

This position requires a valid NYS CDL permit or license at time of appointment and for the duration of employment. Please be advised of the following pre-employment and continued employment conditions. Failure to meet all requirements may prevent a prospective employee or current employee from employment in a safety-sensitive position that requires a CDL license.

- 1. Cannabis use is not permitted for employees in this title and assignment. Cannabis use will be tested for during the pre-employment screening process and may be the basis for disqualification for employment or may be the basis for removal from employment.**
- 2. Prospective employees are required to undergo a pre-employment DOT medical examination and drug-screening test.**
- 3. Prospective employees must sign a consent form so that a driving record limited query of the Federal Motor Carrier Safety Administration Drug and Alcohol (FMCSA) Clearinghouse database can be conducted to determine whether drug or alcohol violations information exists. If a subsequent broader search is required based on the limited query results, the prospective employee must consent to a full query of the FMCSA Clearinghouse database.**
- 4. Annually, employees must sign a consent form so that a driving record limited query of the FMCSA Clearinghouse database can be conducted to determine whether drug or alcohol violations information exists. If a subsequent broader search is required based on the limited query results, the employee must consent to a full query of the FMCSA Clearinghouse database. Employees that refuse to provide consent will be removed from safety-sensitive positions.**
- 5. Prospective employees and employees must comply with all DOT regulations that govern safety-sensitive positions that require a CDL license.**
- 6. Employees will be subject to bi-monthly random drug and alcohol screening. Refusal or delay in submitting to the screening may result in appropriate disciplinary action.**
