This Senior Licensed Clinician position in the Single Point of Access (SPOA) Program is essential as it serves as the county's lead connection for mental health services for children, youth and their families. This role acts as a critical community resource for children's mental health and support services, ensuring that high-needs populations have access to appropriate treatment and support services, as well as educating other systems and providers regarding the children's system of care. The position operates under clear expectations and guidance from the Office of Mental Health (OMH) to fulfill the required duties and meet conflict free requirements.

The Senior Licensed Clinician (Sr. LC) provides professional mental health/behavioral health services to children, adults or their family members. Services may be provided

either at the work location or in the community (homes, courts, provider agencies, businesses, etc.). The incumbent provides clinical supervision and oversees the activities of staff responsible for consumer and family access, integration and provision of treatment, and other program needs. The Sr. LC assists with developing and implementing policies, procedures and standards relating to youth, adult or family mental health/behavioral health or related disability services. When assigned, the Sr. LC coordinates activities and work with other department programs, other county departments, and with private agency service providers. The incumbent works under the general supervision of the Director of Community Mental Health Services, the Deputy Director and/or a designated supervisor. Does related work as required.

This position is non-competitive and covered under the HELP Program. Information on the HELP Program can be found here:
