SENIOR LICENSED CLINICIAN

DISTINGUISHING FEATURES OF THE CLASS: The Senior Licensed Clinician (Sr. LC) provides professional mental health/behavioral health services to children, adults or their family members. Services may be provided either at the work location or in the community (homes, courts, provider agencies, businesses, etc.). The incumbent provides clinical supervision and oversees the activities of staff responsible for consumer and family access, integration and provision of treatment, and other program needs. The Sr. LC assists with developing and implementing policies, procedures and standards relating to youth, adult or family mental health/behavioral health or related disability services. When assigned, the Sr. LC coordinates activities and work with other department programs, other county departments, and with private agency service providers. The incumbent works under the general supervision of the Director of Community Mental Health Services, the Deputy Director and/or a designated supervisor. Does related work as required.

TYPICAL WORK ACTIVITIES:

1. Oversees the child, adult and family case work in the assigned work area to promote successful outcomes and the well-being of these consumers;
2. Maintains necessary records and prepares reports;
3. Maintains cooperative relationships with family and criminal courts, and other welfare agencies in the community;
4. May lead meetings and workgroups with other department programs, other county departments, private agency service providers, and recipients of service;
5. Meets with families and other collaterals to integrate and coordinate for services to the individual and may provide clinical family intervention;
6. Assists with the formulation of case work or group work policies and procedures;
7. Interprets Federal, State and local policies and programs to staff and agency representatives under their supervision;
8. Provides formal and informal clinical supervision to staff in difficult cases and conducts necessary consultation with other agency providers;
9. Recommends and drafts policy and procedure in accordance with regulatory, audit readiness, and corporate compliance standards of documentation and service provision;
10. Provides performance evaluations of assigned staff;
11. Participates in the crisis services and/or after hours on-call rotation and response to meet the needs of consumers and the department;
12. Assists the department's planning component in the needs identification and development of youth, adult, or family services in the areas of Mental Health, Alcohol and Substance Abuse Services, and Intellectual and Developmental Disabilities;
13. Provides professional clinical services appropriate to his/her license to clients as needed.
